

MAKING PUBLIC SECTOR EASY

Independent 75% black women-owned fuel wholesaler with guaranteed security of supply.

EMPOWERMENT CREDENTIALS

Gulfstream Energy is 75% black-women owned and a Level 2 B-BBEE contributor.

HSEQ

Health, Safety, Environment and Quality are a priority. We understand the need to work within the provisions of all relevant and legislated regulations and align all our policies and procedures to support these provisions.

TRANSFORMATION

Over the years Gulfstream Energy has partnered with smaller enterprises on fuel supply deals, enabling growth, development and economic participation for these enterprises.

Gulfstream Energy is a supplier of innovative petroleum solutions to a wide range of customers within all market sectors of the South African economy – delivering on time, in full & at the best price possible.

MAKING PROCUREMENT EASY

Gulfstream Energy has the required experience when it comes to working with major government departments and other parastatal or state-owned entities. Due to our extensive hands-on involvement across these supply chains, an important part of our value proposition includes a deep understanding of the intricate nature of internal processes within these organisations.

With 10 years of experience in the fuel industry and a reputation firmly entrenched in security of supply, capability, flexibility and innovative culture, coupled with our B-BBEE credentials, Gulfstream is well positioned to help government meet its objective to empower and transform the local fuel industry.
